Dear Mr. Merideth:

Its nice to get to converse with you in the solitude of your own room.

This is very, very, personal from me to you. First I wish to ask. Do you ever read the Bible. Do you enjoy it? Do you own one of your own. Could you remain serene, should "The Law of the Land", in which you sojourn say to you: "You may continue your religion, if you wish, but you cannot have your Bible, because we are banning all Bibles?".

You are peculiarly equipt for interpriting the following verses in your Bible and discerning an inkling of its import. Isaiah 9:6,7. Notice in particular that the parts of it that are Capitalized has special significance for YOU.

The gist of the verses is INFILTRATION. Since you are a master infiltrator, you should be able to comprehend that this has to do with infiltration. Perhaps you like the word (" word " means thought ") permeate better.

Thats what these verses mean to you - permeate. Let the Spirit of Christ permeate your soul. For that is what it is trying to do at this moment.

You have successfully infiltrated Ole Miss phisically. You were able to have the forces of Hell fight your battle. Now they have installed you on your physical throne where you can cause more trouble and hate than at any other place. No one now can remove you from that place where you have to be guarded except your own thoughts as refered to above in the Bible verse.

To use tis this new found knowledge, YOU will have to repent. Now, Son, don't look, at first for such a glamorous experience as was presented to Paul. You remember he literally, upon conversion, just turned around and went the other way.

You hve this knowledge and can mule over, until in a few days you can walk away from Ole Miss without your cumbersome mess of U.S. Soldiers. Though you may have to be careful. I wish you good luck in the venture.

By careful planning, you may be able to lead some of your people back to where Moses showed you the Promissed Land, and from which you were kidnapped so long ago. Yes, there you can sing all day and dance all night where ~~ga~~ or goobers grow as big as your thumb and you only have to start your sweet potatoes and they grow forever, some of them as long as your arm. And no limit to wild bananas.

All of this you have a chance at just for REPENTING and then follow the still small Voice which is your soul. Oh! yes, its difficult. But what you are trying to do ~~sa~~ wont pay. This other way, through repentance gives you a chance to create a second United States Of Africa. You might be its first president.

You would at least not have to ask the Kennedies to protect you. What he is fixing to do is to take your identity away from you. How is it done? Sammy Davis is an example of how it is done. His children will never be a White Person, or a Negro Person. Arn't you amarrried individual, how would you like to be a grand pa to a White Person? A government that would sanction that would be worse than the government that King Herod wrote orders for. Matt. 2:16.

For, whereas he asked for the death of certain children, this intergration is asking for the end of two historical Races to make way for one untried, lost Race in its children.

Lovingly,

Bro. Sam.
